

## Vision statement for Music

At Purford Green School, our music curriculum intends to inspire creativity, self-expression and encourages our children on their musical journeys as well as giving them opportunities to connect with others. We hope to foster a lifelong love of music by exposing them to diverse musical experiences and igniting a passion for music. By listening and responding to different musical styles, finding their voices as singers and performers and as composers, all will enable them to become confident, reflective musicians.

Every child at Purford Green has the opportunity to take part in extra-curricular music opportunities throughout their time at the school. They will have the opportunity to learn an instrument and to perform in front of an audience, at different times throughout the year.

## The aims of our Music curriculum are to develop pupils who:

- Can sing and use their voices individually and in a group.
- Create and compose music on their own and with others.
- Have opportunities to learn a musical instrument.
- Understand and explore how music is created, produced and communicated.

- Enjoy and have an appreciation of a range of different musical styles e.g. Classical, Jazz, Hip Hop, Rock etc.
- Use and understand musical language and include musical features in their own work.
