<p style="text-align: center;">Discussion Time</p> <p>During these uncertain times it is really important to look after our emotional and mental health. The film 'Inside Out' explores the emotions of the main character Riley as she experiences a change in her life from moving house and starting a new school. As a family watch the film or this clip - https://www.youtube.com/watch?v=dOkyKyVFnSs how did we know how Riley was feeling? Explain that it is normal to feel these five emotions: Joy, sadness, fear, anger and disgust and think of ways the we can deal with them.</p>			

Example Character Descriptions - Here is an example of a good and bad character from Toy Story - can you choose your own film and have a go?

brave funny cool kind friendly silly
jealous

I think that Woody is a good character because he is kind to all of the other toys but when Buzz arrives, he feels jealous. Also, he is very brave when he saves him and Buzz from the evil Sid.
I think that Woody is cool because he has a gold star and a brown hat.

evil mean disgusting cruel rude
unfair scary

I think that Sid is a bad character because he likes to hurt the toys. He is mean to his sister when he cruelly steals her dolls. Sid is cruel and unfair because he traps Woody and Buzz. Luckily, they can escape!
