

Learning Project WEEK 10 – Sport

Year 5

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> • Times Table Rockstars 15 mins per day. Look out for any challenges being set! • Mathletics – children should attempt this week’s assigned activities. • BBC Bitesize Daily Maths Lessons – a mix of video tutorials and written practice tasks • White Rose Home Learning – A selection of lessons and worksheets that can be used in addition to Mathletics. 	<ul style="list-style-type: none"> • Children should read for at least 20 mins every day. • Following this, discuss the chapter/ section with your child and ask questions. • Complete the Friday Reading Activity on BBC Bitesize. • Read online with Epic. • Remember to log onto Accelerated Reader after completing any book to see if you can take a test. • Search for ‘sport’ on getepic.com, there are lots of book to read and watch.
Weekly Spelling Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> • Encourage your child to practice the Year 5/6 common exception words (or their own list brought home from school). • Mr Whoop’s Spelling Mistakes. Complete one activity sheet per week – the pack is on the Home Learning section of the school website. • Use Spelling Frame to practice the Year 5 Spelling Rules – choose a rule that you know you struggle with. • Spelling Shed – 20 mins per day. 	<ul style="list-style-type: none"> • Create a persuasive leaflet for a new school sports club (of your choice). Use persuasive language including modal verbs (e.g. will, should) and adverbs of possibility (certainly, probably). • Ask your child to write two newspaper articles on a sport of their choice, one reporting on an event and the other reporting ‘behind the scenes’. Can your child include direct speech from ‘interviews’? They could present this on Word or Powerpoint if they have access to a computer. Children could even video themselves giving a pitch-side report on a sport of their choice. • Choose a sport personality your child admires. Encourage them to create a biography which tells the story of their life in chronological order. • Create an A – Z of Sports or Sporting Personalities. Say which country it / he / she is from and give a brief description of the less well known sports.

- The 2020 Olympics in Japan have been postponed until next year. Is this the first time this has happened in the history of the Olympic Games? Do some research and create a fact file about the Olympics.
- Have you ever thought of a new sport that you would like to explain to your friends? Write a description with instructions of how to play. What would this sport be called? How many players / teams would it need? What equipment would it use? What would the rules be?

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to carry out their learning based on a sport/ sports of their choice. They may even choose to research new and unfamiliar sports that interest them.

A Question of Sport

Ask your child to research [sporting history](#) and see how many different [facts](#) they can find out about sports from the past. Ask them to create their own sporting trivia quiz which they can test out on members of the household. Or place different sporting events from the last 100 years onto a timeline.

Sports-Pop Art

Get your child to select their favourite sporting star. Then they can draw a portrait of them in the style of the famous pop artist [Roy Lichtenstein](#) using felt tip pens or paint. Don't forget to share the artwork with your teacher!

Name that Sport – Map Work

Ask your child to create an [orienteeing map](#) of your home/garden. At each location they will need to create a question relating to a sport e.g. Which sport has the most rules? The answers can then be recorded on an orienteeing sheet. How about giving them a challenge? Can they create an answer that begins with the letter of the next location? Get your child to test it out on a family member. We have drawn bird's eye plans of our houses and gardens already – maybe you could use this to help?

Everyone's a champion

This activity is all about exploring the diversity of sport. Ask your child to research the history of the [Paralympics](#) . Discuss why we have the Paralympics. Get your child to create a poster which presents the importance of the Paralympics and the range of different sports there are.

Blue Peter Sports Badge 2020

Applications are open for the [Blue Peter Sports Badge 2020](#).

To get your hands on this limited edition badge, all you have to do is try a new way of getting active, then send in your application form via the post. This badge is only available during summer 2020, so what are you waiting for?

Sport around the world

What is the most popular sport in Latvia? Do they play basketball in Albania? Pick a country and design a profile of sport for that nation! What is their most popular sport? Who are the most famous sportspersons to come from that country? What have they had the most success in and why?

Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Classroom Secrets Kids](#) – English and Maths activities

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. To register for free use the offer code: UKTWINKLHELPS.
