## Get Ready with Cleopatra

11 To look as fabulous as me, follow these simple beauty steps.  
22 First, bathe in milk and honey to keep your skin nourished  
34 and soft. I scrub away the dead skin using sea salt and  
47 then I like to use crushed green grapes to give my skin a  
49 golden glow.

60 I usually keep my makeup quite simple and natural. I crush  
72 up lapis lazuli stone to create a deep blue eye shadow base  
83 and then I add some sparkle with little chunks of gold  
92 pyrite. Next, I make my eyelashes and eyebrows darker  
103 using charcoal and animal fat. Then, I just rub some red  
115 clay into my lips and cheeks and I'm ready to head down  
121 to the pyramids for the day.
