

Learning Project WEEK 12 – Summer

Year 5

Weekly Maths Tasks (Aim to do 1 per day)

- [Times Table Rockstars](#) 15 mins per day. Look out for any challenges being set!
- [Mathletics](#) – children should attempt this week’s assigned activities.
- [BBC Bitesize](#) Daily Maths Lessons – a mix of video tutorials and written practice tasks
- [White Rose Home Learning](#) – A selection of lessons and worksheets that can be used in addition to Mathletics.
- Year 5 Summer themed Maths Activity Booklet – this is on the **School Website** and has lots of different summer-themed activities for your children to try.

Weekly Reading Tasks (Aim to do 1 per day)

- Children should read for at least **20 mins every day**.
- Following this, discuss the chapter/section with your child and ask [questions](#).
- Complete the Friday Reading Activity on [BBC Bitesize](#).
- Read online with [Epic](#).
- Remember to log onto Accelerated Reader after completing any book to see if you can take a test.

Weekly Spelling Tasks (Aim to do 1 per day)

- Encourage your child to practice the [Year 5/6 common exception words](#) (or their own list brought home from school).
- [Mr Whoop’s Spelling Mistakes](#). Complete one activity sheet per week – the pack is on the Home Learning section of the school website.
- Use [Spelling Frame](#) to practice the Year 5 Spelling Rules – choose a rule that you know you struggle with.
- [Spelling Shed](#) – 20 mins per day.

Weekly Writing Tasks (Aim to do 1 per day)

Have a look at the Year 5 / 6 Summer Themed English Activity Booklet. Activities inside include:

- Reading Comprehensions
- Sentence Mix-ups
- Word mix-ups and spelling Challenges.

This is on the **School Website**.

- Write a postcard from your favourite place. Get creative and draw the picture for the front too.
- Think of words that you would associate with summer and make your own [word search](#) - make sure you spell the words correctly!

The project this week is all about Summer

DT

Make a summer smoothie, write the instructions for a friend to follow.

Grand Designs - design a sandcastle, it can be as elaborate as you like, write a description of it and who lives inside. It could be the setting for your own fantasy story.

Science

Design and/or make your own rock pool <https://www.wildlifewatch.org.uk/Design-your-own-rock-pool> What creatures live in a rock pool? Why is it an ideal habitat?

Make your own ice cream in a bag <https://www.thebestideasforkids.com/ice-cream-in-a-bag/> How does the liquid become a solid? Can it be reversed? How would you do it?

Research the wildlife/ plants and flowers that you might find in your local area at this time of year, make a spotting sheet for a friend or family member.

PE

Hold your own sports day at home. Divide you family into teams and design a timetable of races. You could include traditional favourites such as the 3-legged race and the egg and spoon. Keep a record of the scores and make prizes for the winners.

We hope you all have a lovely and relaxing summer holiday and we look forward to seeing you ready and raring to go in September!
